CONSIGNMENT AGREEMENT

Thank you for choosing **Second Dance!** We are pleased you want to be a part of our boutique!

Please agree and understand:

You will receive 45% commission on your sold merchandise, minus sales tax.

Your items will be displayed for one year. We will price your items and discount dresses as needed. We usually mark dresses down 20% after 6 months.

If merchandise sells, you will have one year to collect your earnings from when that specific item sold. If earnings are not picked up within a year of sale you will no longer be eligible to pick up your share of commission and it will become the property of Second Dance LLC. _____

To see if your items have sold please call, text, or stop in store about the status of your items. You may stop in the store to pick up your earrings or send us a self-stamped envelope.

If merchandise doesn't sell, it will become property of Second Dance LLC if not picked up **14 days after the contract end date.** (located at bottom of page) _____

If you wish to pull any dresses you have consigned from the store before your contract end date, a \$10 pull-fee will be applied to each dressed steamed. We keep record of what has been steamed. |

Please understand it is not our responsibility to contact you when your contract end-date approaches or when your items have sold. We suggest putting it in your calendar. _____

Please understand we are not responsible for any accidental damage, fire, flood, or theft of items. We do our very best to keep your items in great condition.

Again, thank you for choosing Second Dance! 😊
